

# HELLO !

**I am a VIRUS,  
cousin with the Flu and  
the Common Cold**

**My name is Coronavirus**

# I love to travel...

and to jump  
from hand to  
hand to say Hi

**HIGH  
FIVE**

# Have you heard about me?

YES

NO

## And how do you feel when you hear my name?

Relaxed

Confused

Worried

Curious

Nervous

Sad

# I can understand you feel...

## ...I would feel the same way

**Sometimes adults get  
worried when they read  
the news or see me on TV**

**But I am going to explain  
myself...**

**So you can understand...**

**When I come to visit, I bring...**

**Difficulty breathing**

**Fever**

**Cough**

**But I don't stay with  
people for long, and almost  
everyone gets better**

**Just like when you get a  
scrape on your  
knee and it heals**

**BYE BYE...**

**It's normal to worry!**

**But the adults who take care of you:**

---

**will keep you safe**

# And you can help...

1

**By washing your hands  
with soap and water  
while singing a song**

**You can sing your favorite song,  
the happy birthday song, or the  
alphabet song**

2

**By using hand sanitizer  
and letting it dry on  
your hands**

**Without moving them count to 10**

**1, 2, 3, 4, 5, 6, 7, 8, 9, 10**

**Once your hands are dry you can get  
back to playing!!**

**If you do all that and stay at home, it helps to stop me visiting so many people**

**while the doctors work to find a vaccine that will allow me to say hi without getting you sick.**

# THE END
