

2021 WORKSHEET 4

NUMERACY YEAR 5

Answer all the questions in the Mathematics Activity book.

1. Find the correct answer for the following questions with necessary working.

a. 2310

$+ 1858$

(1 mark)

b. 3961

$+ 2063$

(1 mark)

c. 5004

$+ 3037$

(1 mark)

2. Find the correct answer for the following questions with necessary working.

a. 7214

$- 5608$

(1 mark)

b. 5024

$- 1683$

(1 mark)

c. 6420

$- 3890$

(1 mark)

3. Find the correct answer for the following questions with necessary working.

a. 45

$\times 16$

(1 mark)

b. 59

$\times 23$

(1 mark)

c. 92

$\times 40$

(1 mark)

4. Find the correct answer for the following questions with necessary working.

a. $45 \div 7 =$

(1 mark)

b. $23 \div 3 =$

(1 mark)
